

Development Project of a mine and phosphate's fertilizers platform in Tunisia

TUNISIA'S MINISTRY OF INDUSTRY ENERGY AND SME HAS ISSUED AN INTERNATIONAL PREQUALIFICATION TENDER FOR THE SELECTION OF A PROMOTER TO CARRY OUT A CHEMICAL PLATFORM BASED ON THE EXPLOITATION OF THE PHOSPHATE FIELD OF SRAOUERTANE. THE CLOSING DATE TO RECEIVE OFFERS IS OCTOBER 31, 2008.

Tunisia's Ministry of Industry Energy and SME has issued an international prequalification tender for the selection of a promoter to carry out a chemical platform based on the exploitation of the phosphate field of Sra-Ouertane.

The capacity of the mine will be 4 million tons of phosphate per year, and the production of phosphate's fertilizers will be 1 million tons of P_2O_5 per year.

The participation form is available on the website and must be submitted no later than 31/08/2008

Tender's documents are available at
www.industrie.gov.tn/sraouertane

The participation form is available on the website and must be submitted no later than August 31, 2008.

The closing date to receive offers is October 31, 2008.
